**Position Title: Video Production Intern**

Start date: TBD

End date: TBD – at least 4 month duration

Hours: minimum 10 hours/week

Compensation: Internship is for professional development experience; no financial compensation

**Internship Description**

The Video Production Intern will be responsible for developing a series of video outreach and informational tools to assist Watershed Management Group (WMG) engage stakeholders and foster local stewardship. The Video Production Intern will focus efforts on 1) WMG's new Soil Stewards pilot program and WMG's border region community water harvesting projects.

**Internship Tasks**

\*New tasks and workshops may be added upon agreement between intern and supervisor.

*Desert Soils Initiative (10-20hrs per week), Supervisors: Catlow Shipek and Tory Syracuse*

- Composting Toilet Action Research Project (*Catlow*):
  - Attend monthly advisory committee meetings and community events/workshops.
  - Document, edit, and produce 1-2 short videos to provide technical and community outreach tools.
  - Assist with ongoing aspects of project as identified and communicated.
- Neighborhood Mulching Pilot Project (*Tory*):
  - Attend monthly advisory committee meetings and community events/workshops.
  - Document, edit, and produce a short video on the importance and process to building productive desert soils.

*U.S.-Mexico Borderlands Project (Border 2012) (5-10hrs per week), Supervisor: Catlow Shipek*

- Attend workshops as available. Document workshops with photos and video recordings.
- Develop and produce 1-2 short videos in Spanish for community outreach purposes

**Other Potential Tasks (depending on time/need)**

- Assist with general WMG outreach events
- Document and produce video material for Co-op and Green Streets workshops and events.

**Internship Requirements/Preferred Experience**

- Familiarity with video documentation and basic editing software

- Proficient in Spanish language (highly preferred)
- Knowledgeable in environmental issues (preferred)
- Promptness and excellent organization skills
- Self-motivated
